2025 March Moto Madness Training level 1-2

-Thursday March 27th 9:00 AM

Level 1 duration 3 hours.

Training will begin with explanation of the basics proper riding positions for variable terrain, low speed balance, stopping and accelerating. Participants will also learn to operate their motorcycles in tight quarters without “duck walking” or dragging a foot through the turn, proper braking techniques, and of course, how to reduce chances of injury when righting a downed motorcycle... It can also serve as a prerequisite to Level 2, regardless of experience.

-Thursday March 27th 1 :00 PM

Level 2 duration 3 hours.

Building on those skills working with varied terrain. All exercises are laid out to be comprehensive, building on Level 1 and allowing a smooth progression of skill as participants encounter increasingly challenging scenarios.

Friday March 28th 9:00 AM

Level 2 Duration 3 hours.

Continued building on the skills to this point and review to this point. Will combine some of the exercises from the day before and bring all together. This will be the end of the class, so you have time to ride in the beautiful countryside of eastern Tennessee.

Please bring water for the day and lunch is not provided. There will be a food truck on site, and you can bring something at the start day for lunch. There will be breaks and time to talk throughout the day. Thank you for the opportunity to provide training for something that is a great way to see the roads less traveled, Adventure Motorcycling.

Pricing: \$300 for both days
