**3 nights camping (Tents, hammocks, trailers, RV's - first come first served – non reserved)**

We've never run out of camp space. We ask that you move empty and unused trailers, after unloading, to make room for other attendees. We'll direct you to appropriate parking after you've unloaded.

Be considerate when setting up camp. There will be LOTS of campers. If you're taking up too much space we'll ask you to tighten up or resituate to make room.

RV/Trailer length limited to 28' on Southside of Conasauga creek. 29'+ camp on Northside of the creek.

There are low spots where you will get stuck. Use common sense when driving through the field.

Pumper services will be available for holding tanks. Arrangements made on site with the operator.

**Limited RESERVED RV/Camper sites with services**

**\$90 – Electric      \$120 – Electric/water**

Reserved Trailer/RV sites limited to 28'

**Day passes - \$25 day / \$60 3 days (no on-site camping or meals)**

## Volunteers

We need volunteers to help manage the Madness. We can't do it without you. Volunteers are allowed early arrival on Wed and get a limited edition CREW shirt for their time and help. When you register check the volunteer box and we'll be in touch to get you on the schedule for a time to help. We need help in set up, tear down, registration, setting RV's and campers, security, kitchen duty and gate keepers.

## Vendors

Come take a look at and talk to some of your favorite moto vendors. Big circus tent in the middle of the action for you to come check it all out.

## **A Plethora of riding options**

This area offers so many options for exceptional riding. Whether you enjoy Adventure riding, dual sport, sport touring, cruising or smaller bikes like the Grom there's a road, or some semblance of one, for you.

Run what you bring. You won't be disappointed.

## **Cherokee Challenge 2020**

We've put together a new CC in honor of MMM 15. 170 miles of twisties, gravel, scenic views and the best riding the area has to offer.

### **GPS routes**

Everyone always wants GPS routes. If you're from the area or have been coming for a while help us collect some rides and share with the others. Forward your routes to [Contact@MarchMotoMadness.com](mailto:Contact@MarchMotoMadness.com) and we'll set up a dropbox for them. Make sure you give a description of the ride that includes the type of riding the route includes and what it's suitable to be ridden on.

### **Guided Rides**

We'll have guided rides available for varying levels of tastes and bikes. Sign up's will be on site. We'll also have The Map Room set up again behind Registration. Printed route sheets, area maps available to purchase and a white board to organize group rides based on interest and skill levels.

## **Fun & Frivolity**

### **Friday**

#### **Slow Race, Moto Limbo and Friday Night Barrel Races**

Lot's of fun for everyone. Nothing extreme. Come participate or come spectate. Always a crowd favorite.

Watch where you stand for the barrel racing. There will be mud!

### **Saturday**

**Skills course** – Try your hand at tight turns, figure 8's, slalom. Nothing too extreme. Balance and brains are your friends here.

**Trails course** – For those with a need for the extreme. Water, mud, logs, balance. You'll have a little of everything that you could expect from a true extreme adventure. Can you clear the course?

**Hill Climb** - Not for the faint of heart. Take home the title of King of the Hill until next.

### **Bonfire nightly**

Always a great way to end the day. Share a few stories and adult beverages and you're guaranteed to leave with some new lifelong friends.

We ask that you don't have fires at your camp without a raised fire pit. But you can't meet new folks hanging around your own fire.

## **NEW TOILETS**

You told us and we heard ya'. We'll have new toilets this year. Shiny and bright. Enjoy! Take your shoes off before you go in.

## **Shower Bus**

### **4 shower stalls with hot water**

Please be tidy and clean up after yourselves. We ain't yo' mama, even though you're at the Mother rally.

**Make sure to join us for the 15<sup>th</sup> annual March Moto Madness and see what all the Madness is about. This year looks to be the biggest and best yet.**
